

SimplyE

A library e-reading software.

Have access to all of Crockett Public Library's best materials in one place. Discover a book, borrow it and read it, all in one place, with the same user experience regardless of vendor.

You can change the font, font size, background color and more for optimum reading experience. SimplyE includes the OpenDyslexic font and is compatible with screen readers to ensure all readers have access to the books they want.

Sign up for a library card instantly through the app and begin reading Crockett Public Library's e-books on the spot.
