

Message from the City Administrator

It is my honor and privilege to serve as your City Administrator and I'm grateful for the support of the Mayor and City Council and blessed by an extremely qualified and dedicated staff. I am committed to challenge the status quo at every turn. We are revitalizing the City of Crockett by making ourselves accountable, with good decisions and a lot of hard work. If you have ideas to help improve our City, please do not hesitate to contact me. I welcome the opportunity to hear from you.

Thank You,

John Angerstein

Responsibilities

The City Administrator is appointed by the Mayor and confirmed by the City Council as the Chief Executive Officer of the City of Crockett. As the Chief Executive, the City Administrator is responsible to the city council for the proper administration of all the affairs of the city placed under their control by ordinance or by resolution of the City Council.

The City Administrator is responsible for many functions including coordination of daily operations, long range development of the City; preparation of the annual budget; development and implementation of personnel regulations, financial and administrative policies; and other actions as required by the Mayor and City Council or Code of Ordinances.
